

## Statement of Agreement

Date: \_\_\_\_\_

I have read and understand the MHTP Student Handbook. I agree to abide by the requirements and expectations set forth by MHTP in order to receive my certification as a Certified Music Practitioner. I also agree to follow the policies and procedures as outlined. I understand that the Board of Directors reserves the right to change the policies stated in the Student Handbook at anytime, and in the event of policy changes, I will be notified by the organization of those changes. I understand that failure to follow MHTP policies and procedures will lead to disciplinary action up to and including termination from the program.

I understand that MHTP reserves the right to deny certification to students due to the nature of this profession, not all people are suited for the work, and MHTP reserves the right to make this assessment at any point during the student's course of study.

I understand that, if I have any questions regarding policy and procedure, I may ask representatives of MHTP: teachers, Area Coordinators, my Mentor (who will be assigned to me), and the Central Office.

MHTP encourages students to retain copies of everything they mail (electronically or through the US postal system) during their course of study with the program. Please retain a copy of your handbook/completed application for your records.
